

TURNERS CLUB 2 MEETING MINUTES

JUNE 10, 2021

President Brian Defoe called the meeting to order, thanking Rusty for hosting our first "Live DEMO and In Person Meeting" at his home in Silver Creek. This is the first "live" meeting since the COVID restrictions began 3/20. 9 members attended but the zoom link for those unable to attend did not work.

NEW BUSINESS: A discussion was held regarding what to do with the lathes we had stored at Barb's Barn (currently in storage at Jason's home). Turners 2 owns 4 lathes-members agreed to keep the lathe on the large wood stand for club demos, and Jason agreed to continue to store this lathe. Selling 2 lathes for \$200 each was suggested. The chucks will be sold separately. Brian will get more info on the lathes and chucks to enable us to post them for sale.

The club needs a new camera for club demos. We will discuss and vote on this at our July meeting.

OLD BUSINESS: Brian picked-up the remainder of wood donated to club 2 by Barb (Jake) Demski. Most of the wood is 1" thick boards 6" square, 8" square and 12" square. There are some 2" thick boards about 8" long. Most of the wood is Mahogany. Brian will bring it to our club meeting in July. The wood is FREE- but you are encouraged to use it for Make a wish projects in memory of Jake who was a huge supporter of our Make-A-Wish fair sales!!!!

The annual club family picnic is scheduled on August 26th at 4:30 pm. We will discuss details and have a signup list at our next month's meeting.

The Erie County Fair is arriving SOON. The fair schedule is posted on our website at Western New York Turners Clubs 1& 2. TO SIGNUP TO WORK THE FAIR PLEASE CONTACT JOHN LILY OR JOE WISNET BY PHONE OR EMAIL. JOE ALSO HAS A SIGNUP SHEET AT BUFFALO WOODTURNING. Fair work HOURS: 11-2:30 and 2:30-6:30. We need your help to work the fair, and also to donate items to sell.
