

TURNERS CLUB 2 MEETING MINUTES

September 9, 2021

President Brian Defoe called the meeting to order at 7pm and welcomed all members back to the Hamburg Middle School for our monthly meetings! Our meeting room will open at 6:30. Meetings will begin at 7pm, and must end at 9pm due to new cleaning schedules. At this time masks must be worn inside the building and throughout our meetings.

Brian read a letter from Glen Stemach, Make-a-Wish coordinator, thanking all members for donations of products and time at this year's Erie County Fair. It was an amazing success with a new all-time high of \$30,800. THANKS TO ALL CLUB 2 MEMBERS!!!

NEW BUSINESS: A motion was made by Gary Jones, second by Jay and carried to reimburse Rusty and Glenn \$50 each for food provided when hosting our club meetings at their homes when we could not use the school. Rusty donated his money back to the club.

A motion was made and unanimously carried to keep our club dues at \$10.00 for the 2021 - 2022 year which runs from August to August.

A motion was made and carried to purchase \$10.00 gift certificates from Buffalo Woodturnings for show and tell prizes.

OLD BUSINESS: Discussion of selling club lathes previously stored at Barb's Barn. Members agreed to sell lathes for \$200 each and stands for \$35 and \$75. Jay will handle the sales. Chucks and other tools will be auctioned at our November meeting. Please contact Jay if you are interested in purchasing a lathe or a stand.

Rusty reports that there have already been donations to the Golden Caring Hearts Group "You will Never Walk Alone" Chinese Auction and Fundraiser Event for Children's hospital local research on 10/23. Call 595-2826 for info. A motion was made and carried to also donate a \$25 gift certificate to Aunt Millie's. Thank you Christine A. for follow-up assistance with this!

The August Picnic Meeting scheduled for August was cancelled due to lack of signup. We will discuss if we should continue this tradition at a future meeting.

Brian will develop a list of items needed for next year's fair and keep a list of items donated each month to make inventory easier for the 2022 Make A Wish Fundraiser.

The club needs a new camera to video our monthly demos. Paul M. has a camera he will donate but it is unclear if this will meet our needs. He will bring it next month for our "tech. people" to discuss.

VICE PRESIDENTS REPORT: Meeting schedule:

Oct.14th- Paul M. Demo

Nov.18th- Club auction. Please bring tools and workshop related items you wish to donate for this auction. This is our club's only fundraiser.

Please note the date change for the November meeting.

Dec. 9th- Demonstrator needed. If you can do the demo please see Rusty! It is also our pizza party month!

Rusty reports that we have a few 2nd Thursday club meeting dates that conflict with the school's 2021-2022 schedule. Rusty will have more specific info and exact dates at our next meeting.

Brief discussion on the possibility of zooming our live meetings and demos for those unable to attend all of our monthly meetings (ie snowbirds, bad weather; health issues, etc.). This will be discussed next month.

TREASURER'S REPORT: Petty Cash- \$ 104.40 Bank account \$3488.54
Total Club Balance \$3593.04
