

TURNERS CLUB 2 MEETING MINUTES & CLUB UPDATE

September 1, 2022

Our Sept. 1 meeting was held conjointly at Maryvale School to celebrate our 2022 Make-A-Wish success. It was with WNY area woodturning and scroll saw groups. \$37818.00 was raised throughout the 10 day sale at the Erie County Fair! Make a Wish representatives were also present at the meeting, including a young girl and her mother who discussed a 'dream come true wish' granted prior to COVID. Additionally, audience members shared stories from Make A Wish families/recipients they met at the fair! As a thank you, Make a Wish treated us to a ice cream truck! *Congratulations and Thank You to ALL club members who donated product, & worked as sellers and demonstrators at this year's fair!*
